

Hunter Training.

Southland Branch has a long history of educating new and younger hunters and has been conducting an annual Hunter Training Program (HUNTS) since the 1990's.

One course is conducted each year and runs over a period of weeks and includes at least one actual hunt. Course numbers are restricted to 12 participants and a firearms license is a requisite.

HUNTS Syllabus

1. Ethics and Ecology
2. Equipment and Food
3. Travel and Navigation
4. Big Game Species
5. Firearms and Marksmanship
6. Hunting Techniques
7. Trophy and Meat
8. When Things go Wrong
9. Travel and Navigation in Wilderness Areas
10. Establish and Hunt from a Fly Camp
